Greetings, cloudstaff

I trust this letter finds you thriving and in high spirits! I wanted to express my strong interest in the On-The-Job Training opportunity at cloudstaff, specifically as one of the interns. My name is Miguel Pasion Lee, and at 21 years old, I am currently pursuing a Bachelor of Science in Information Technology with a focus on Web Development. Proficient in coding languages such as HTML, CSS, and JavaScript, I am enthusiastic about putting my skills to practical use in a professional environment.

I love a good challenge, and I'm constantly seeking new opportunities to learn and grow. cloudstaff feels like the perfect match for me! I'm excited about the chance to join your team and grow alongside you, seizing the opportunities you provide. I'm excited and looking forward to being able to help your team and learn from seasoned experts at the same time.

Thank you for taking the time to review my application. I've attached my resume for your consideration and would appreciate the chance to chat further about how I can add value to cloudstaff.

Warm regards,

A stylized, handwritten signature in black ink, appearing to read 'Miguel Lee'.
